Engineering & Capital Projects Department

# SR-163 Sewer Pipeline Rehabilitation CONSTRUCTION ADVISORY

Partial and Full Closure of State Route 163 through May 28<sup>th</sup>

**Details for the Week of May 2, 2011**

**What:** There will be no lane or freeway closures of SR 163 this week as part of the sewer rehabilitation project.

Monday, May 2<sup>nd</sup> through Sunday, May 8<sup>th</sup>.

**Where:** From A Street to the end of the bus lane at the merger of I-5. To see a map of the project, please visit the [project's Web page](#).

**Why:** The 45-year-old Cabrillo Trunk Sewer that runs through Balboa Park along State Route 163 is in need of rehabilitation after damage caused by age, tree roots and breaks. This project will restore the structural integrity of the pipe, inhibit root infiltration, reduce maintenance costs, and extend the life of the sewer main for another 50 years.
